4. Instructions to Bidders

- Quotations must be submitted on the vendor's official letterhead, duly stamped and signed.
- Vendors must clearly state the make, model, and variant/trim of the vehicle offered, along with a specification sheet/brochure for verification against Section 3.
- Price must be quoted on an ex-showroom/delivered basis (please specify), inclusive of all applicable taxes and duties, in [currency].
- Delivery timeline from the date of confirmed order must be clearly mentioned.
- Warranty terms, free service schedule, and availability of after-sales support/service network must be specified.
- Quotation validity must be a minimum of 30 days from the submission deadline.
- Payment terms should be clearly stated (advance, on delivery, or as applicable).
- Any deviation from the specifications in Section 3 must be explicitly declared; non-disclosed deviations may lead to disqualification.
- Sealed/soft copy quotations must be submitted to the contact person mentioned in Section 6 on or before the deadline stated above.

5. Evaluation Criteria

Quotations will be evaluated on the basis of: (a) full compliance with the technical specification; (b) total delivered cost; (c) delivery lead time; (d) warranty and after-sales service support; and (e) vendor's reputation and authorized dealership status. SIOVS reserves the right to accept or reject any or all quotations without assigning any reason.
